

28. The New Earth

On the new earth, in which righteousness dwells, God will provide an eternal home for the redeemed and a perfect environment for everlasting life, love, joy, and learning in His presence. For here God Himself will dwell with His people, and suffering and death will have passed away. The great controversy will be ended, and sin will be no more. All things, animate and inanimate, will declare that God is love; and He shall reign forever. Amen.

God is planning a wonderful home for His children right here on this earth. There will be no unrighteousness or problems or unfulfilled needs there for God Himself will supply everything.
